

Spiritual Directors of the Greater Lehigh Valley
www.sdglv.org , invite you to this Next Step program*

SPIRITUALITY AND The Universal Christ: Oprah and Richard Rohr Tuesday Nov 5, 6:45pm-9:30pm

It is exciting to see the growing awareness of the value of spirituality in the Greater Lehigh Valley. We want to offer an opportunity for our Next Step community to come together again for fellowship and learning.

We invite you to join us to view a video of Oprah on Soul Sunday as she speaks with contemporary theologian, mystic and author Father Richard Rohr to discuss his new book, "The Universal Christ: How a Forgotten Reality Can Change Everything We See, Hope For, and Believe."

After the video we will break into small groups for discussion. Later we come together into the larger group for more sharing and community. We welcome your presence and look forward to this time together. If you know any one who would be interested in this event, we encourage you to share this invitation with them.
